Bottoms: Yoga pants, leggings, shorts, etc.

Men: Dance or athletic attire

Tops: Plain White or Solid Black t-shirt or athletic shirt

Bottoms: Black sweat pants or athletic pants.

Additional Requirements for Captain/Co-Captain Auditions

Here are the required steps to complete the interview/audition process for captain/co-captain

Email Intent to Interview

Any current member of the SOTS color guard that wishes to audition for captain/co-captain needs to email Jean Heasley at troyauxiliary@troy.edu stating they wish to interview for captain. This will start the process.

Choreography Video

You will receive a file of music that you will use to create a short routine (approximately two minutes). The focus of this routine is to show your understanding of the best ways to choreograph for the SOTS color guard (taking into consideration limited teaching time and a wide range of skills and experience).

You should submit a video of your routine by 11:59p.m. on Friday March 22nd, 2019. Videos should be either listed or unlisted youtube videos. Please email the link to troxauxiliary@troy.edu.

Uniform Sketch

Please create a sketch of your idea for a proposed uniform and bring it with you to your interview. You are allowed to receive help with drawing etc., but please make sure the concepts are your own.

Resume

A one-page resume showcasing your academic, professional, leadership, and personal achievements that you feel are relevant to why you are the best choice for captain.

In-Person Interview

Interviews will be conducted on Saturday March 23rd, 2019. Please bring your uniform sketch and resume with you at this time. Specific interview times will be decided in the days before the interview. We will do our best to accommodate any conflicts or engagements that you may have.
